

# EASTERN DISTRICT POOL LEAGUE INC

## Hall of Fame

### An Introduction

The current EDPL Hall of Fame Committee consists of two EDPL Executives (Richard Benneker, and Sally Keast), four Life Members (Ken Woodhouse, Ken Wright, Martin Hawkins and Brian McCoid), and one ordinary member (Rodney Maggs). The elected chairperson is Ken Woodhouse. These people will be continuing on this committee into the 2007 Winter Pool Season.

This committee has been hard at work researching various current and past EDPL members, so as to induct more people into our League Hall of Fame, but the committee is always on the look out for new recommendations to be considered. If you have any ideas please contact the EDPL office, or any member of the Hall of Fame Committee.

A copy of the Hall of Fame Criteria is attached, and as can be seen is very broad and open ended. Please keep this for reference as it may trigger a thought as to someone you may wish to nominate.

Each inductee shall receive an attractive award / trophy, presented at the EDPL Presentation Lunch. A portrait photo of each inductee shall also be framed and displayed within the EDPL building; this frame shall bear a plaque with the inductees name, registration number and year in which they were inducted. A Hall of Fame inductees register is also being developed, in which shall be displayed a small photo of the inductee along with a description of their contribution to the League.

It is intended that the above mentioned award, portrait and registry shall continue from year to year building into a wonderful display of our Leagues history.

The Hall of Fame Committee is also requesting that you keep an open eye for any EDPL memorabilia that you may come across or indeed have in your possession, as the League is always looking to add to their display. As time goes by these items become even more interesting; as a display of history to the new and younger players within the EDPL, and a trigger for reminiscing for those who have been members for longer while.
